Subject: 2010 Barefoot World Championships

Dear Colleague,

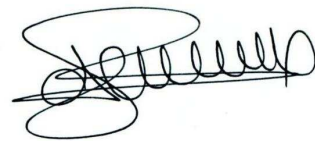

As you are no doubt aware, the 2010 World Barefoot Water Ski Championships are being held in Germany from 7th August until 15th August 2010. The EAME Barefoot Council is required to submit a list of officials by December 2009 and we sincerely hope that you will be willing and able to officiate at these Championships.

It is important to show the World how EAME is happy to welcome our community and I hope we will be able to have our best officials attending that great event.

Please send a resume and indicate which jobs you would like to be considered for in the attached form, to me at avigoureux@aol.com by December 14th.

Yours sincerely,

Alexandra VIGOUREUX
